

Another FOP Success story thanks to LCC Staff Rep John Puleo and General Counsel Tony Livoti.

Congratulations to Lauderhill Sergeant Greg Solowsky and well done to Tony and John:

Mr. Livoti and Puelo,

Ever since you were able to successfully get me back to work, I feel I owe both of you my very best every day in everything I do to honor your efforts. I truly am thankful for the perseverance, patience, and energy you both put into restoring my life and allowing me an opportunity to correct a mistake I made.

Please read the below e-mail and know this award is very special to me because it symbolizes our combined efforts have paid off and I am back to a good standing within my Department. This could not have been accomplished without your help and I will be eternally grateful to both of you.

Good things come to those who work extra hard for it, when given a second chance.

I feel this award is not mine, but ours collectively! My family and I would be honored if you would share this experience with us, should your schedule permit.
