The month of January has been especially busy across the state with Installations and Awards Banquets at our local lodges. I've traveled to many lodges, both Labor and Fraternal and was very impressed with the local leadership and seeing the FOP in action. Our local leaders are inspiring. It was a pleasure to be with the Pinellas County Lodge 43 membership as they honored the 18 years of service by President Tim Ingold who led the lodge efforts in obtaining a great contract with the Sheriff. Sheriff Coates recognized what we already knew were the exceptional leadership talents of Tim and has promoted him to Captain. Tim had to step aside as President of the Lodge and Danny Carron will have huge shoes to fill. Best wishes to Tim Ingold and congratulation to Danny. Attorney General Bill McCollum attended in Pinellas County, giving the keynote address. President Gene Gibbons of Coral Gables Lodge 7 will continue a battle with the city fathers to reach an agreement on their contract. Miami Beach Lodge 8 has returned Bobby Jenkins as President and Orange County President Kevin Carlucci remains very active in securing benefits for his members. Congratulations to all our new and continuing FOP Leadership across the state.

The Fall elections are history, the Holidays are but a memory as we move rapidly forward into the Legislative Session. The FOP worked hard during the campaigns and we were very successful in helping our candidates. We will now try to capitalize on all that effort with our ambitious agenda of law enforcement bills. This year during the legislative session, each District Director will have a "Week on the Hill" as we keep an FOP presence in Tallahassee and pressure to obtain the passage of our priority bills. Each FOP District will send members to Tallahassee for a week of the session to meet with Legislators and push our priority bills. If we are to accomplish anything this year, it will take a strong showing on our part.

The Malcolm Thompson Act redefining the definition of “disabled” for FRS members to mean; if you are unable to continue working as a full time law enforcement officer due to a line of duty injury or illness you are entitled to a “full” disability pension. Also, changing the final compensation calculation from the high 5 years to the high 3 is a priority. Several other priority bills are listed on the State Lodge web site. February Board Meeting on how to screen political candidates and offer insight into the political arena. This meeting will be very important in setting our agenda and goals.

We are fast approaching the 25<sup>th</sup> Anniversary of our Law Enforcement Memorial Service this May 6<sup>th</sup> and 7<sup>th</sup>. The Memorial Committee has been working on this year’s service to make it a special commemoration as we honor our fallen officers, renew our pledge to “Never Forget” and recognize their families. The new year has barely begun and already we have two more line of duty deaths from the Florida Highway Patrol and the Jackson County Sheriff’s Office. Both officers were gunned down while doing their duty. It re-emphasizes the danger our brothers and sisters in law enforcement face everyday.

On February 7<sup>th</sup>, the Florida Parole Commission held a Hearing for Jacksonville Police Officer Gary Bevel’s killer. The FOP was there to seek justice for Officer Bevel and ensure this murder never takes another breath of freedom.

The Training Committee has been active with offering relevant training classes. In Tampa, Lodge 27 hosted a Critical Incident Stress Management Class. This class will be repeated in Orange County in April. Positive comments from those in attendance were received for the information they can use at work.

Our goal towards the Florida FOP donation of \$100,000 to the National Law Enforcement Museum is well underway. Please consider the Museum when your lodge meets.

Hope you have a great time in Pensacola Beach. See you at the February Board Meeting. ■

Fort Lauderdale was the recent host of the Eastern Regional Labor Coalition Meeting at the Sheraton Yankee Trader. The Labor Forum was held to discuss common issues in the labor arena. National Candidates attended and announced their intentions to seek national office. FOP Grand Lodge President Chuck Canterbury will run for another term as National President. He was endorsed by the Eastern State Coalition. ■

## 2ND VICE PRESIDENT'S MESSAGE

### Greeting Brothers & Sisters

We bid goodbye to the year 2006 with a salute to the State Fop and to each of you.

My message will be brief, because it will only echo the president's message.

But, here I go.

You the members and with your support the candidates that we supported in the political arena in Florida were able to achieve their goals and take their office in 2007.

You the members made it possible, so I'll let the president tell you more.

Now from the fraternal side of your state lodge and again you came to the rescue.

We have had to many members leave us in the line of duty and even some in accident off duty. We must be on guard at all time and watchful over each other.

That's what this order is all about, being a family to each other.

I see that many of you have seem my truck up and down I-95, I-10, I-75, state road 441, 220, 90, 257, and 52 just to name a few as I visit the lodges around the state.

Look out panhandler, I'm heading your way next and I only got lost once.

In the coming months, I hope to see many of you on the hill talking with our elected officialson issues that we need on your side. And you can make it happen.

Now to each of you that have family members in the military service, they will stay in our prayers and we know you will stay strong in your faith.

## FOP TOP PRIORITY INTRODUCED IN NEW CONGRESS

Chuck Canterbury, National President of the Fraternal Order of Police, announced that one of the FOP's top legislative priorities, the "Social Security Fairness Act," has been re-introduced in both chambers of Congress.

"The FOP has testified before Congress in support of this legislation four times in just the last four years," Canterbury said about the bill, which repeals the Windfall Elimination Provision (WEP) and Government Pension Offset (GPO) in current Social Security law. "We have hit the ground running and will push very hard for action on the bill. We don't need further hearings or discussions—we need a vote."

The bill was introduced in the House by Representatives Howard Berman (D-CA) and Howard L. "Buck" McKeon (R-CA) as H.R. 82 and had more than one hundred (100) original cosponsors. The Senate companion bill was introduced by Senators Dianne Feinstein (D-CA) and Susan M. Collins (R-ME). ■

## U.S. Law Enforcement Organizations Declare: Build the National Law Enforcement Museum!

- ◆ Massachusetts Police Association
- ◆ Police Benevolent and Protective Association of Illinois

"By joining the elite Groundbreaking Society, these law enforcement organizations have demonstrated their support of and desire for a national law enforcement museum," said Craig W. Floyd, Chairman and Chief Executive Officer of the National Law Enforcement Officers Memorial Fund (NLEOMF). "The Museum will be the only one of its kind in the world it is therefore most appropriate that law enforcement helps build the only museum dedicated to telling its story." The NLEOMF will raise \$80 million dollars to build the Museum, \$10 million of which will come from the law enforcement community.

Congress passed a law in November of 2000, signed by President Clinton, authorizing the Museum to be built on federal property across from the National Law Enforcement Officers Memorial in Judiciary Square. The 90,000squarefoot Museum and the accompanying research library will become the premiere source of information on law enforcement in the United States..

From the moment visitors enter the Museum, they will experience the humanity and dedication of America's law enforcement officers and learn about the contributions they have made to our nation. The Museum will be filled with hands on activities, state of the art interactive technology, and rotating educational exhibits that will explore the past, present, and future of law enforcement in America. More than 500,000 visitors from around the world are expected to visit yearly.

In addition to the exhibitions, the Museum will offer a forum for important discussions on current and emerging trends in law enforcement and serve as a research repository for law enforcement safety.

"It has been said that the Memorial we've built to honor our fallen officers tells the end of the story now, we must build the National Law Enforcement Museum to tell the rest of the story — a story of incredible service and sacrifice throughout America's history," added Mr. Floyd. ■

Seven more law enforcement organizations have pledged \$100,000 each, joining more than two dozen other law enforcement organizations across the United States that have made a commitment to help build the National Law Enforcement Museum. Thirty law enforcement organizations have already contributed \$8.8 million to the Museum Campaign.

These seven law enforcement groups joined the Groundbreaking Society, a group of donors who invest \$100,000 or more in A Matter of Honor: the Campaign to Support the National Law Enforcement Museum in the months leading up to the groundbreaking.

## NATIONAL LAW ENFORCEMENT MUSEUM

James W. Preston

The Florida State Lodge Executive Board and State Trustees agreed at the October Board Meeting in Palm Beach Gardens that the Florida FOP would become a major contributor to the National Law Enforcement Officers Museum being built in Washington, D.C. adjacent to the National LEO Memorial Monument.

The Florida State Lodge has established an account in Tallahassee in which we will collect donations from our membership, local lodges, districts, associates and friends. Our goal will be to donate \$100,000 or more to the National Museum.

This donation should be from you, the FOP in Florida. Accordingly, all donations will be recorded in order that everyone, every entity receives the recognition they so justly deserve for contributing to this great cause. It will be given in your name as the Fraternal Order of Police in Florida.

The Museum will be a beautiful tribute to all law enforcement, to all of those who wear the badge and serve their communities. It will compliment the Memorial Monument and add greatly to this sacred site where we gather to honor the lives and sacrifices of our fallen heroes.

I urge you to consider contributing to the Florida FOP National Law Enforcement Museum with a donation. FOP District Three has sent in \$1,000, Robert E. Lister Lodge 66 has pledged \$5,000. Temple Terrace Lodge 101, Pasco County Lodge 29, Manatee Lodge 70 and Sarasota Lodge 3 have all pledged \$5.00 per member. This is a great start. To reach our goal of \$100,000.00 each of our 20,000 members would only need to send in \$5.00. It is not too much to ask of each member to support this worthy cause. Mail your donations to the Florida State Lodge 242 Office Plaza in Tallahassee, Florida 32301 today.

Visit the NLEOMF for more information on the Museum at [www.nleomf.org](http://www.nleomf.org). Florida

FOP will be a big part of making the museum a reality, thanks to you. ■

### WILLIAM DANTSCHISCH 1929 – 2007

Bill Dantschisch, former FOP labor representative and tough union negotiator died January 15, 2007 in Tampa after a battle with cancer. Bill served in the U.S. Marines from 1948 to 1952 and shortly thereafter began a 20 year career with the New York Police Department, sworn in on December 31, 1954. He worked on the Major Case Squad, working on bank robberies and organized crime. He was a partner you could count on and a strong family guy according to long time friend, Frank Bolz also an NYPD retiree.

After retiring from NYPD, Bill moved to Tampa. He began working for the PBA as a negotiator and labor rep. "He was tough, firm and very smart. Bill helped a lot of Tampa cops get through the I.A. process", James Preston, FOP President, said.

Bill joined the FOP Florida State Lodge Labor Council as Executive Director and continued representing law enforcement officers with a passion until 2002. He developed many long standing friendships and respect as an advocate for cops' rights.

We will miss Bill and offer our sincere condolences to his family and friends. ■

Re: Jeffrey Murphy EC:182860/DC: 092546 and David Croft DC: 092628

Dear Governor Crist,

On Memorial Day, 1983 in Pinellas Park, Florida a young and promising 16 year old life was brutally and viciously taken by two 17 year old boys in a torturous murder. Young and vibrant Penny Lynn Faulkner was attacked by two suspects later identified as Jeffrey Murphy and David Croft.

These two cold blooded killers stabbed Penny over 17 times. The force of the stabbing caused bones to break yet Penny fought and begged for her life. The suspects stuffed sand in her mouth and nose to silence her screams. They dumped her lifeless body and yet still not satisfied with their killer lust they returned to her body the next day, poured gasoline on her and set her body ablaze. This young blond haired girl with a full life ahead of her had to be identified through dental records as her body had been so disfigured. Murphy and Croft, two evil men, later bragged to friends of their horrendous deeds with bravado. They showed no regret or remorse.

At trial, the two killers were convicted of first degree murder and sentenced to life in prison with a 25 year minimum mandatory.

Now, late in 2006, prisoner Jeffrey Murphy has applied for a waiver of the Rules of Executive Clemency for possible consideration of a commutation of sentence. We understand a parole hearing is to be scheduled as he seeks to be released from prison.

It is an affront to the family of Penny Lynn Faulkner and the citizens of Florida that these two heinous killers should even be considered for parole. Life in prison should in this case mean life - period.

On behalf of the family of Penny Lynn Faulkner, as President of the Fraternal Order of Police Florida State Lodge, I am writing to ask that Jeffrey Murphy and David Croft be denied either clemency or parole. We recommend that they should continue to remain behind the steel bars of a Florida prison cell for the remainder of their lives and never be free to harm another Florida citizen. Please include this letter in each prisoner's file, so that it may be introduced at each and every parole hearing.

Sincerely,

James W. Preston, President  
Florida State Lodge

## FOP 107 AIDS NEEDY FAMILIES AT CHRISTMAS TIME

by Gary Fiske

The Atlantic/Neptune Fraternal Order of Police # 107 teamed up again this year with Beaches Emergency Assistance Ministry (BEAM) of Jacksonville Beach to distribute bikes and Barbie Dolls to the needy children in the Beaches communities. *(From L to R Miller Norton Past President, Gary Fiske Past President; Treasurer and Kathy Maloney of BEAM)*

Gary Fiske retired from the Neptune Beach Police Department stated that the project of contacting local businesses in the Beaches communities was started about 6 years ago to assist in buying the bicycles and helmets for the children. The members of the lodge would locate children that were in need of a bike, if through an officer that may have been on a call or from the schools. After the fourth year we found that we were giving in some cases twice to the same family that another group had given to.

Last year FOP Lodge 107 teamed up with BEAM to find these kids that are in need of bikes. BEAM deals with these families daily and know what the needs are of each family member and what other groups are assisting that family. The project has been a huge success, that Operation Barbie-Doll was added last year along with the bikes. ■

## OPERATION BARBIE DOLL

by Gary Fiske

The Atlantic/Neptune Fraternal Order of Police # 107 along with the above residents from Pablo Towers completed the second annual Operation Barbie Doll project. *(From L to R Juanita Oehler, Tonie Brown, Ruth Jenkins and Rosemary Laird)*

The project was started last year when Neptune Baptist Church member Charles Messersmith contacted Neptune Beach Police Department retired police officer Gary Fiske. Messersmith discussed a large collection of Barbie Dolls that he had picked up at garage sales along with cloths for the dolls during the year. Fiske received around 175 dolls again this year along with clothes. The dolls were taken to the Pablo Towers resident Juanita Oehler who recruited the other volunteers who cleaned and dressed the dolls for donation to Beaches Emergency Assistance Ministry (BEAM) in Jacksonville Beach, Helping Hands Ministry in Atlantic Beach and two area foster homes. ■

### Escaped Convict

An escaped convict broke into a house and tied up a young couple who had been sleeping in the bedroom. As soon as he had a chance, the husband turned to his voluptuous wife, bound up on the bed in a skimpy nightgown and whispered, "Honey, this guy hasn't seen a woman in years. Just cooperate with anything he wants. If he wants to have sex with you, just go along with it and pretend you like it. Our lives depend on it!"

"Dear," the wife hissed, spitting out her gag, "I'm so relieved that you feel that way, because he just told me he thinks you're cute!"
