

Fraternal Order of Police
Southern Most Lodge # 28

Hello Ralph Dean,

I wanted to Thank You on behalf of FOP Lodge 28. We are the Southernmost Lodge in the United States. Well we hope so.

If it was not for the Florida Fraternal Order of Police Labor Counsel our lodge would not be where we are today.

We have made good positive progress in our negotiations with our Sheriff's Office. It is at this time I really want to recognize John Puleo for all his hard work, dedication, and countless hours he has given to our needy members. His knowledge and determination that he has represent when he is called upon is unsurpassed by all others in my book.

The bottom line is. Its cold hard facts, "My Sheriff's Office does not like him" This is a great thing! They can't stand to told that they are wrong.

Osceola County Sheriff's Office is in need of the FOP. Det. Deputy Ernie Paton did at one time work here in Monroe County. He has taken upon himself to get the names and address of all of the deputies and sergeants for this agency. I believe we are talking just over 400 sworn. We need to do whatever we can to get an FOP Lodge in Osceola County. I will do whatever you need from me and my lodge to help get this off the ground.

I know that there is No Perfect Agency to work for, but it does make your tour of duty easier knowing that you have the FOP Labor Counsel and Legal Team behind you!

Sincerely and Thank You Again,

Matthew Dowling
