Secretary Yoes would like to get the CD out there for everyone to see and maybe listen to. If we get it out there in the lodges we are more likely to sell it! We are asking for the assistance of the state lodges to help us get the CD out to the local lodges to help promote it. This is a great time of year to offer items for sale that members may pick up for Christmas gifts, etc. Please help us get the word out to everyone that the CD is complete now and available for purchase! Any state lodges that would like to purchase a few we will ship them to you for simply the cost of the CD – NO shipping charges!! These may be handed out at Board Meetings, passed along to local lodges, etc. We will bill you, plus, any CD's that you do not sell may be returned!!
