Ohio needs help until Election Day!

The election is coming upon us and Ohio could still use our support until Election Day! There is a scheduled event **Saturday, November 5 in Centerville, OH** but volunteers are needed everyday from now until election day, November 8th. Please contact the Labor Services Office in Ohio for more ways to help your Brothers and Sisters in Ohio.

FOP Cops & Kids

The FOP trademark, FOP Cops & Kids, is available to all lodges for use when providing charitable services to needy children, most commonly Christmas gifts and school supplies. This trademark was created as an alternative to the "Shop with a Cop" trademark which is **not** owned by the FOP.

The royalty includes free use of the FOP Cops & Kids trademark and is available to all FOP Lodges. To receive permission to use this trademark, please send an e-mail request via pyoes@fop.net or by letter to the National Headquarters.

Washington State Lodge Requests Your Help With The Memorial Sign Project

The goal of the Memorial Sign Project is to honor Seattle Police Officers and Firefighters who have died in the line of duty. Memorial signs will be installed at the intersections nearest the locations where a Seattle Police Officer or Firefighter has give their life in service to the people of Seattle.

Currently, these signs will honor 59 Seattle Police Officers and 42 Seattle Firefighters. This project will be completely funded through private contributions. However, because the signs will be mounted on city street sign poles, a city ordinance is required for its' authorization. Councilman Tim Burgess has authored such an ordinance, but its presentation to the City Council has been postponed several times.

Seattle's Heros deserve to be honored.

Below are email addresses of the nine members of the Seattle City Council. Please contact and urge them to pass this ordinance!

Randy Owen CD Honoring Law Enforcement and Firefighters - Get Yours Now!

The FOP's record label, BLEVE Entertainment, had released a new song

by Alabama lead singer Randy Owen. The song is titled "In Honor of (Those Serving Us)."

This moving song, honoring the first responders of 9/11, has been distributed to all country music stations in the U.S. through the MPE service. Plan to go to your local radio stations and request the song to be played to help raise money for injured on-duty officers and firefighters. In light of recent events, this could quickly become the #1 song in America.

We need FOP lodges and their members to help shoot this single to #1 on the country charts by requesting the *Friends* CD, which features all original songs by Randy Owen.

What Local Lodges Can Do:

- ? Lodge Leadership - Order a case of CDs for your Lodge to sell at your fundraisers and/or have members place our ten CD display box in businesses to help raise money for the FOP Foundation and your Lodge.
- ? Request that each member pre-order a copy of the CD now. All members that pre-order will receive a free download of "In Honor of (Those Serving Us)."
- ? All members can e-mail or call your local radio station asking for airplay of "In Honor of (Those Serving Us)."

Click here to order CDs: www.helpthegoodguys.com

The cost to you is \$8 per CD. \$2 of that goes directly to the FOP Foundation.

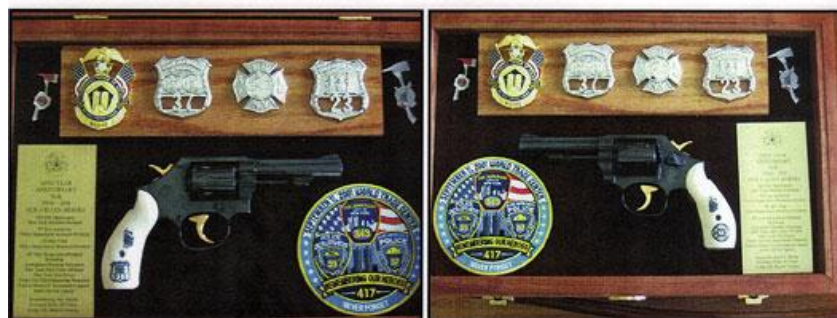

If you sell the CD for \$10 each, \$2 will go directly into your own lodge's treasury.
