The Florida Legislature

PE RCS ruling/statement regarding the sheriff as a legislative body for 447. 403

The public employees relations commission found that the Sheriff is not the legislative body.

"if we were to conclude otherwise the sheriff's employees would be left with no mechanism for resolving the impasse and their constitutional right to collectively bargain would be rendered meaningless. Article 1 section 6, Florida Constitution; S. S. 447. 201, 447. 301, and 447.403, Florida statute."

Senator Mike Fasano
