STAYS HERE**

Dear Gene,

According to national statistic 1 in 110 children in the United States have autism. My son, Daniel is one of them. He faces daily challenges that we can only imagine.

Parenting a child with autism is a life-changing event that teaches many lessons about life. We celebrate each and every small sign of progress as a huge victory! Next Saturday, I'll be participating in a very special event called the Dan Marino Foundation **WalkAbout Autism**. This event will serve as a celebration of victories, small and large, for the **entire South Florida autism community**. The proceeds from the **WalkAbout Autism** will benefit several agencies that have had a tremendous impact on Daniel's progress and on my family's journey, as well as thousands of other families from Miami Dade and Broward.

Two of these organizations, The UM Center for Autism and Related Disabilities and the Autism Society of Broward County have been a tremendous help to Daniel. Won't you please join me in my efforts by making a donation to help these agencies continue their work with families like mine?

You can make your donation online by simply clicking on the link in this message or by sending a check payable to the Dan Marino Foundation directly to:

Dan Marino Foundation  
400 North Andrews Avenue  
Fort Lauderdale, FL 33301

If you choose to send a check, please indicate on the memo line "WalkAbout Autism" and my name.

Thank you in advance for your generosity!  
Sincerely,  
Bart Barta
